A DEPENDABLE & CONVENIENT SERVICE

- Pays your bill on time even if you're out of town
- Saves time—fewer checks to write
- Saves postage

Tri-County Electric Cooperative (TEC) is offering you a convenient way to pay your monthly bill. It is called the Automatic Payment Plan. All you need to do is authorize a regularly scheduled payment for your bill amount to be made from your checking or savings account. That's it! Your payment will be made automatically on the scheduled due date, usually the 11th. Proof of your payment will appear on your bank statement.

You will receive a bill statement from TEC each month, detailing charges and usage for your records. Instead of an amount due, it will be marked "PAID BY BANK," showing the date the payment was deducted from your bank account. This arrangement will remain in effect until you cancel the authorization to us in writing.

TO TAKE ADVANTAGE OF THIS SERVICE

Complete and return the following authorization form with a **voided check if payment is drawn from a checking account, or a deposit slip if a savings account is used**. Automatic payments begin in the month following the month you sign up. Call us at 1-800-432-2285 if you have any questions.
