The Cooperative will construct, own, and maintain all electrical equipment up to the meter location in accordance with the following requirements:

1. APPLICATION FEE. For each new service location, a nonrefundable fee of One Hundred Dollars (\$100) plus tax if applicable shall be paid by the Applicant upon application for service. Reapplication and fee are necessary if the Applicant does not proceed with the project within one year. (Payment may be made by personal check, money order, cash or credit/debit card) Visa Card Number _____ Exp. Date _____

2. LINE EXTENSION. A basic line extension shall be allowed for each new service depending upon the type of service requested. An excess line extension may be required due to distance, significant investment, and risk the Cooperative makes for line extensions. The line extension charge outline shall be paid by the Applicant prior to the start of construction. There may be a refund if there are new service attachments added to the original line extension. Your signature to this application confirms you will abide by the existing line extension policy in place by the cooperative.

3. RIGHT OF WAY CLEARANCE. The Applicant shall provide and pay the cost for the initial right-of-way clearing for the line extension done in accordance with the Cooperative specifications.

4. CONSTRUCTION OF SERVICE. The line extension shall be scheduled for construction after the following is completed:

- A. All necessary payments and documents have been received by the Cooperative.
- B. Right-of-way clearing completed and accepted by the Cooperative.
- C. Wiring affidavit received by the Cooperative.

5. BILLING. Starts upon availability of the electric service (when Tri-County Electric's power line extension and transformer are installed).

6. MONTHLY MINIMUM CHARGE. The Applicant shall guarantee payment of the minimum monthly charge, as established in the applicable retail rate, for a period of sixty (60) consecutive months. The Cooperative may require this minimum payment be paid in advance if it believes circumstances are such that the service may not remain on a continuing basis or have limited electrical usage. See Rate Schedule.

By signing this agreement, the Applicant accepts its provisions. Signatures of the Applicant should include both husband and wife for a joint account, all partners in a partnership, and majority of officers in a corporation. All partners or officers of Applicant agree to be individually responsible for this agreement.
