I agree to authorize Tri-County Electric Cooperative to automatically bill my monthly power bill to my credit card. I understand that I will receive a copy of my co-op bill each month as reference unless I have signed up for an E-billing account at which time I will no longer receive paper bills. I recognize that this Auto Bill program does not include typical credit card chargeback rights and procedures and that I will contact the co-op directly concerning billing disputes.

**Please continue to pay your account as in the past until your statement indicates the change or it has been confirmed as completed with our office.**
