

Since 2001 over \$33,000 has been given to worthy causes in our local communities.

Operation Round Up participants let Tri-County Electric Cooperative round up their bill to the nearest dollar each month. The "small change" is put into a trust fund. Twice a year the Operation Round Up Trust Board meets to review applications and grant money to a variety of projects and programs that help make our local communities better. The average annual contribution is \$6. The most you could contribute annually is \$11.88 (99¢ a month). All contributions are tax deductible.

"Small change" can make a big difference

Sign up today and begin helping our local communities.

I would like to participate in Operation Round Up by allowing Tri-County Electric Cooperative to "round up" my electric account(s) to the nearest dollar each month.

Your name as it appears on your bill: _____

Account number(s) you wish to round up: _____

Signature: _____ Date: _____
