

Please cut along dotted line and return to Tri-County Electric Cooperative.

Account name _____

Sales tax exemption

I, the undersigned, certify that electricity is the primary source (50% or more) of heat for my residence. Only the electricity used for this purpose is being claimed as exempt from state sales tax during the billing months (month bill is dated) November through April. I further certify that electricity will be the primary source of heat at this residence until further notice and I am responsible for notifying the cooperative when this status no longer applies.
