A DEPENDABLE & CONVENIENT SERVICE

- Pays your bill on time even if you're out of town
- Saves time—fewer checks to write
- Saves postage

Tri-County Electric Cooperative (TEC) is offering you a convenient way to pay your monthly bill. It is called the Automatic Payment Plan. All you need to do is authorize a regularly scheduled payment for your bill amount to be made from your checking or savings account. That's it! Your payment will be made automatically on the scheduled due date, usually the 25th. Proof of your payment will appear on your bank statement.

You will receive a bill statement from TEC each month as reference unless you have signed up for an E-billing account, at which time you will no longer receive paper bills. Instead of an amount due, it will be marked "PAID BY BANK," showing the date the payment will be deducted from your bank account. This arrangement will remain in effect until you cancel the authorization to us in writing.
